PROS -good game if you want to use shotty controls to fix horribly textured streets.. Works for 10%. game keeps crashing what a waste of time and money will be getting a refund asap. would rate this game 4 out of 10 thought it would be much better then it is. WOT A WASTE OF MONEY THE WORST GAME IVE EVER PLAYED I WANT MY MONEY BACK. Had no idea what I was doing, then glitched out of the whole city while still riding the jackhammer. It was magical.. would rate this game 4 out of 10 thought it would be much better then it is. i dont recommend this game because its very boring game. game keeps
